Alex Wandres

alex.r.wandres@gmail.com | mobile: 301-801-4264 | awandres.github.io/portfolio

Independent self-starter with a keen sense for efficient workflow and a passion for problem solving. I focus on combining creative thinking with a methodical approach in order to deliver effective results for clients. Comfortable working both independently and in a group environment. I actively seek new programming knowledge to remain current in this dynamic field.
